

Invitation Inaugural Lecture

dr. R.M.C. Herings

Pharmacoepidemiology and
healthcare optimization:
Medicines, healthcare and data

Tuesday
June 7th 2022

Amsterdam UMC
Universitair Medische Centra

VRIJE
UNIVERSITEIT
AMSTERDAM

The rector magnificus of Vrije Universiteit and Board of Directors of Amsterdam UMC cordially invite you to join the public hearing of the College of Deans, where

dr. R.M.C. Herings

appointed due to STIZON as endowed professor Epidemiology and Data Science, aspires to accept the professorship with a lecture titled:

Pharmacoepidemiology and healthcare optimization: Medicines, healthcare and data

To be held at:

Tuesday June 7th 2022,
at exactly 15:45 (CET), at the university's auditorium,
De Boelelaan 1105.

Upon closure of the inaugural lecture, a reception will
be held, in line with the applicable (COVID-19) rules
on that date.

Amsterdam, March 2022

prof.dr. J.J.G. Geurts
rector magnificus

prof.dr. C.H. Polman
decaan

Professors will be invited to be part of the cortège. They are expected to be present at Forumzaal (room 2D-02) 15 minutes prior to the start of the inaugural lecture. It is greatly appreciated if attending professors wear their university's academic robe.

The VU buildings are located around a central campus square. The VU campus is excellently accessible through the proximity of the Amsterdam Zuid station, Noord/Zuidlijn and various metro- and tramlines. Information on car parking is available at: www.parkerenbijvu.nl
